LOCATION OF SALE - AMPHITHEATRE SALE RING

MAIL BIDS: Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the representatives will be prepared to handle buying orders for you.

Terms and Conditions

1. **TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.
2. **LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.
3. **A - Proper care** must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

F - Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

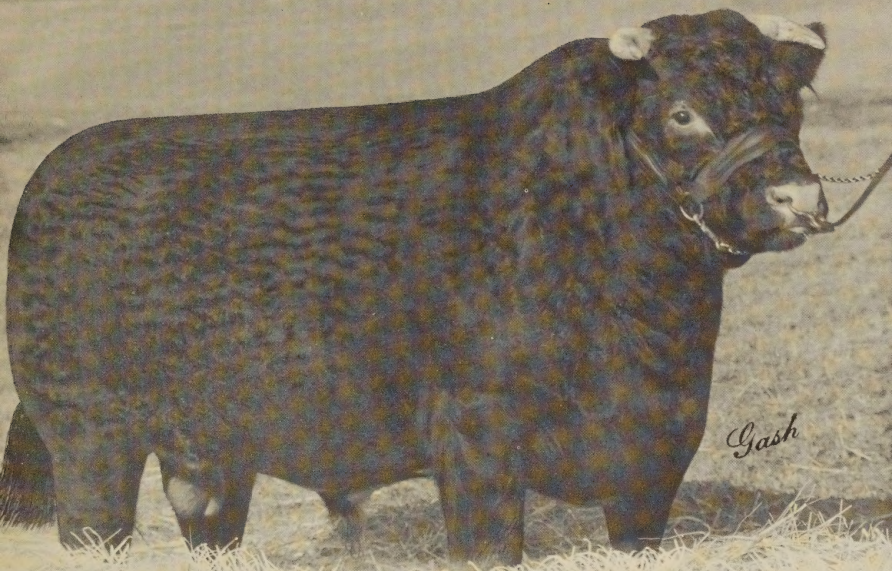

G - Shipment will be made as soon as released by the International Exposition, but at purchaser's risk of loss or injury after animal is bid off.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

4. **SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

5. **INSURANCE:** Coverage may be secured at the time of sale.

Red, W. J. Nixon

BARBARIAN PRINCE - This is a great show bull. His dam is out of the W. C. Anderson International Champion Bull, N Bar Prince. Barbarian Prince is a bull with very heavy bone, deep body, very smooth and has a very good head. He was shown with great success this summer, was Grand Champion at five major shows and was Senior Champion and Reserve Grand Champion at the Iowa State Fair, Des Moines. We have some heifers bred to this bull. So he is ready to go to work.

HARVEY HOEWISCHER & SON

Roan Lady 73d 2499491
Red, W. E. Henkener

S M WONDER - Impresses you with a stock bull look. You'll like his powerful head and his rugged bone - important characteristics of a stock bull. His sire, Scotsdale Masterpiece, has done a tremendous job for us. Our first calf by him sold in last year's sale as a senior calf for \$1125. A bull sired by him while at Scotsdale was top bull in the 1962 Ontario bull sale. The dam of S M Wonder is by Willow Lee Wonder 17th - one of the great breeding bulls in Ohio. His daughters are wonderful brood cows and have nicked especially well with Masterpiece. As a senior calf, Wonder was 3d at Ohio, Junior Champion at Michigan and 5th at Chicago. The only time shown this year was at Ohio where he won the senior yearling class. We think that when you appraise him you too will gain confidence in him as a breeding bull, Herd T.B. accredited and Bang's certified.

S & T PACEMAKER 12TH - The kind you don't expect to come along very often. He has about all you could ask for in a stock bull, great head, depth, thickness, style, fleshing and smoothness. His sire, Leveldale Pacemaker, is proving to be the best breeding son of Basis. His dam has proven herself to be a great show heifer, winning her class at the Illinois State Fair as a Junior calf, Junior yearling, and then after calving in May last year, coming back and winning the two year old class and Reserve Senior Championship, going on to Chicago and winning the two year old class and Reserve Senior Championship at the International. Climaxing her show career by being chosen the "All American" 2 year old last year. This is a great bull with a proven ancestry to back him. He was Reserve Junior Champion bull at Illinois and a member of the second place pair of bulls, second place pair of yearlings, and a member of the first place get-of-sire. Here is a bull that "merits" your close attention.

Augusta Chrissie 7th 2743079
Red, Mathers Bros.

S M AUGUSTA CHRISSIE - Is a very pleasing daughter of Scotsdale Masterpiece and out of one of our good Chrissie cows. Study her pedigree, appraise her individually and then add to that the service of U K Lodestar 128th and we think you have a very valuable female. Her show record is short - champion at a couple county fairs and 3rd to the Grand Champion at the Ohio State Fair. Her service sire is bred to be a breeding bull - by an International Champion and out of a \$6,000 cow. We purchased a 2/3 interest in him from University of Kentucky for \$1,775 when he was Champion at the Bowling Green, Kentucky Futurity Sale. Visitors to University of Kentucky say their calves by him look very good. Calfhood Vaccinated. Herd TB Accredited and Bangs Certified.

CAMSON FLOWER GIRL x - Is sired by Camson Design that now heads the Boots Polled herd in Scotland. The Flower Girl family in Canada goes back to the days of the T. A. Russell herd and has always been highly regarded. Cruggleton Jefferson (imp.) was purchased by Campbell Farms in the A. J. Marshall dispersion and proved to be one of the best breeding bulls to come out of that sale.

Congress Hotel

WEDNESDAY - NOVEMBER 28

9:30 A. M. - International Congress Sale
Swine Judging Arena

SHORTHORNS TOP KENTUCKY TESTS FOR THIRD YEAR

SHORTHORNS TOPPED blacks and whitefaces for the third straight year in the Kentucky Performance Testing Program, according to 1961 figures just released by the University of Kentucky.

Reds, Whites and Roans led in average daily gains, adjusted average daily gains, in type score, index value and weight for each day of age. It is significant that the Shorthorn figures for these categories show improvement from previous years, indicating that the performance tests are upgrading the herds of breeders in the program.

Shorthorns Finish Fast Says Canadian Panel

CLAIM THAT Shorthorn steers could be brought to market in finished condition fully one month ahead of other breeds was expounded at the recent annual meeting of the Canadian Shorthorn Ass'n in Regina.

The meeting featured a panel of experts who pulled no punches in an examination of the Shorthorn's so-called "wastiness" at heavy weights, yet agreed that, when these cattle were marketed at 1,000 pounds, they competed with all comers.

George DePape, Winnipeg, who was elected president of the association succeeding Rhys Williams, Melville, claimed that buyers — packers particularly — might be discriminating against Shorthorn cattle because a small percentage were coming to market over-finished. The obvious answer was that of Shorthorns at lighter weight.

Panel members were Albert M... of Canada Packers, Winnipeg; Walter Tod, president of Armstrong Commission Ltd., Winnipeg; Ralph K. Bennet, chief of the federal livestock marketing service, Ottawa.

Nebraska Steer Champion

THIRTEEN-year-old Jeanne Aegerter, Seward, Neb., kept family tradition alive at the 1962 Nebraska State Fair when her Shorthorn steer, "Alvin," won the grand championship in the large 4-H steer show. Jeanne's moment of triumph came on a day when about 40,000 fairgoers braved chilly temperatures and early morning showers to see Nebraska's big 4-H beef show. Gerald Parks, Iowa State University, Ames, was judge again.

Jeanne's champion had been the first-prize winner in the heavyweight class, weighing 998 pounds and previously was the Seward County Fair grand champion.

Judge Parks called the steer "a model for conformation, with an exceptionally heavy, full quarter, very trim and straight in his lines and with more than the usual amount of bone, ruggedness and style."

Shorthorn Steer Wins Fort Worth Reserve Interbreed

SHORTHORNS SCORED the reserve champion interbreed steer award in the junior show at the 1962 Southwestern Livestock Exposition, Fort Worth, Texas.

Nelma Jane Duren, Mullin, Texas, showed the solid red, very trim, 900-pound junior calf that Judge Burr Ross, University of Illinois, made champion of the breed and reserve grand champion of the show.

He called the calf "very trim, extremely smooth and uniformly covered

Accent on **QUALITY**

Shorthorns Average Best At Wyoming, Illinois

Shorthorn scored the best average at the Stark County Club Calf Sale held at the Alva Peterson Sale Barn, Wyoming, Ill., November 17th. Twenty-nine steers
